

Terms & Conditions

Please read these terms & conditions carefully before booking your child/children onto Quality Sport Holiday Clubs. These are working in line with our Policies & Procedures which can be viewed on request.

Privacy

All personal information provided will be held confidentially by Quality Sport only and not passed onto third parties.

Prices

Quality Sport reserves the right to review our pricing structure and this may result in a price increase. We advise customers to check our website for any updates regarding price changes.

Paying with Childcare Vouchers

If you are paying with childcare vouchers, these payments must be received and cleared at least 48 hours before your child attends the club. If the payment has not been received within this timescale, then Quality Sport reserve the right to refuse your child entry to the club until full payment has been received.

Non-payment

If you fail to make full payments, Quality Sport reserve the right to stop further bookings for your child until all payments have been received.
If this continues, then your child may be stopped from attending any of our clubs.

Credit & Refunds/ Cancellations

7 days notice must be given if your child will not be attending. A credit will be given for that period of absence. The credit is valid for 6 months.
If you do not let us know within this timescale, you will not receive a credit, this could be for any reason, including sickness.

Quality Sport do not provide any refunds, unless any cancellations are made by Quality Sport themselves. For example, if a week of holiday club is cancelled, you will receive a full refund for all the days you had booked within that week.

Late Fees

Our holiday clubs operate between the hours of 8.30am and 5.30pm. We are unable to take children earlier than the agreed time that they have been booked on for and you will be asked to wait with your child if you arrive early. This is due to our insurance policy.
As with the start time of sessions, you will be expected to collect your child at the agreed time. If you are late to collect you will be charged £4 for every 15 minutes over.
For example, if you book on for the 10pm-4pm session and collect at 4.35pm you will be charged £12, that will be payable on the day.

Alterations to your booking

If any amendments need to be made to your booking, you can do this online via our iPAL

account however Quality Sport cannot guarantee there will be a space available for the dates you wish to change to. **DO NOT** bring your child to our holiday clubs without booking online, as there may not be availability on that day and you will not be able to leave your child at the club. Bookings are taken up to 9pm before the day you would like to book.

Children who need Additional Support/ Requirements

When booking your child onto Quality Sport holiday clubs please specify if any additional support will be required for your child and detail in full what this will be on the registration form and also call the office prior to your child attending our club. The holiday club manager must also be made aware on your child's first day at club. This is to make sure that the right support is provided by our coaches, to your child.

If Quality Sport are not able provide the right support for your child, then we may not be able to offer you a place at holiday club.

Quality Sport reserves the right to hold further discussions with you if your child has been attending our club, but has impacted on other children's safety/experience. This can include a coach having to spend extensive 1-on-1 time with your child. These discussions may result in a reduction in hours your child can attend, or your child possibly not being able to attend our clubs.

Suspensions and Exclusions

As detailed in our Policies & Procedures, Quality Sport use constructive behaviour management techniques within our clubs. If you child fails to follow the appropriate guidelines we have in place, they may be temporarily suspended for up to 15 consecutive days. If no improvement is made after your child has returned to the club, then this could ultimately lead to permanent exclusion from all our holiday clubs. No refund or credit will be given for any suspensions. Refunds or credits for permanent exclusions is at the Quality Sport head office's discretion.

Complaints

A complaint can be made at any time to the Quality Sport head office via, phone, email or letter. We have a two stage complaints policy in place, to make sure that all complaints are resolved within the specified timescale.
